Professors Jon Bell [jbelle@irsc.edu](mailto:jbelle@irsc.edu) or Samuel Mikhail [smikhail@irsc.edu](mailto:smikhail@irsc.edu)

INDIAN RIVER STATE COLLEGE

## BRAIN BOWL College Tournament

### WHAT is the BRAIN BOWL?

**Brain Bowl** is an academic competition in which Florida Community/State College teams play against one another. Teams consist of up to six players, only four of whom play at any given time. A moderator reads questions from four subject areas that include: [humanities](#), [mathematics](#), [natural science](#) and [social sciences](#). Each area is equally represented. A buzzer system is used to identify the player who buzzes in first. Ten points are awarded for correctly answering the tossup question. The team winning the tossup is eligible to win up to 30 points for correctly answering the follow-up bonus questions. After twenty questions, the team that has accumulated the most points, wins the game.
